IMPORTANT AND REQUIRED INFORMATION				
Please be aware that with any claim filed, a copy of the ORIGINAL VENDOR INVOICE IS REQUIRED for processing.				
Any claim received without this document is subject to denial based on NMFC Item #300110. For claims involving repair, a copy of the detailed repair invoice, which includes a breakdown and the cost of parts utilized, is required in addition				
to the original vendor invoice. In general, receipt of your claim will be acknowledged in writing within 15 days. Please allow				
30-120 days for claims processing and resolution. You will be contacted by a claim representative if additional information is				
needed. Important: Damaged freight to include original packaging must be retained until resolution of the claim for				
possible salvage and/or inspection purposes! (Unless items are subject to repair).
